	4 vs <u>7</u>	6:45 p.m.	8				
	6 vs <u>8</u>	7:45 p.m.	8				

Please Read: In the occurrence of a rain-out, the Recreation Leader will be notifying all managers as soon as possible. The designated make-up dates will be determined as needed. Please notify the Recreation Leader if there is a different contact number, so that we know who to notify if there is a rain-out. **No jewelry is allowed during the game, with the exception of Medic Alert Tags. Failure of a player(s) to remove jewelry will result in a team warning with the next player violating the rule being declared OUT!**

New Softball Policy:

Due to budgetary reasons and past years of experience, the amount of softballs provided will be limited. We will provide two (2) brand new softballs for the first game of the season. Any home run or foul ball must be retrieved by the team that commits those acts. We will not provide any more than two softballs per game unless a special situation arises. If for any reason teams do not retrieve their softballs the game will be halted until a team finds a softball to play with. If neither team can come up with a softball within 5 minutes, the game will end and which ever team is ahead will be considered the winner. After each game any remaining softballs must be returned to the Recreation Leader on site. Each week (after opening night) teams will be given one (1) new softball and one (1) used softball to play with. It is recommended that each team have used softballs ready to play with in case both softballs are lost. Thank you.

Manager Contact Numbers

1 Fleet Support	Jennifer Jones	Cell: (561) 574-1031
2. Southwest University	Vince Marino	Cell: (561) 302-2081
